

Warm Dim

4.5W LED G40 3000K - 1800K FILAMENT MILKY WARM DIM

Item# 776406

Ordering Code LED4G40/30K-18K/WMDM/FIL/M

UPC 739698777368

- **SET THE RIGHT MOOD:** Smoothy shifting in color temperature from 3000 kelvin (soft white light) to 1800 kelvin (candlelight), these bulbs are perfect for any room where you want the light to go from bright task lighting to warm, cozy moods.

- **STYLE MEETS FUNCTION:** The classic G40 shape, E26 base, and milky glass globe of each bulb offers symmetry and a classic design and is wet rated, ideal in indoor or outdoor pendants or portable fixtures like table and floor lamps.

- **LONG LASTING:** These 4.5 watt LED bulbs are designed to replace a traditional 40 watt incandescent bulb while lasting longer, as each bulb is estimated to last 15,000 hours before they need to be replaced, meaning fewer burnouts and replacement bulb purchases.

- Fully Dimmable and works with most dimmer switches
- 2 year Limited Warranty
