HOW TO READ A HALOGEN LAMP TABLE

BULB

Designations indicate shape and size. Illustrations can be found on page 130 and at the top of each page.

BASE

Indicates base type. Full base descriptions and illustrations can be found on page 130.

PRODUCT CODE

Abbreviated product description can also be used for ordering. A key to abbreviations can be found on page 132.

PACKAGE QUANTITY

Indicates minimum sell quantity and smallest shipping carton.

DESIGN FILAMENT

Filament types are illustrated on page 130.

VOLTS

Indicate the product's design voltage of operation.

MOL

Indicates maximum overall length in inches.

| Bulb | Base | Product Number | Footnotes | Product Code | Description | Pkg. Qty. | Volts | Lumens | CBCP | Avg. Life | Design Filament | MOL | Beam Spread |

WATTS

Indicates the power consumed by the lamp during operation.

FOOTNOTES & SYMBOLS

Related footnotes can be found on page 131.

DESCRIPTION

Bulb finish and other important information.

PRODUCT NUMBER

Use this number when placing an order.

LUMENS

Represents the average light output.

AVERAGE LIFE

Average rated life expressed in hours.

CBCP

The luminous intensity at the center of the beam of a reflector lamp.

BEAM SPREAD

Indicates the beam angle or beam spread of a bulb, measured in degrees.

Bulb, Base and Filament Identification Guide

Bulb Shapes

Base Types

Filament Types

CC indicates coiled-coil filament.

SYMBOLS

| | |
|----|--|
| † | New product introduced within the past year. |
| N | Nickel-plated brass base. |
| \$ | Energy saving product. |
| ⓔ | This lamp meets Federal Minimum Efficiency standards. |
| X | Product will be discontinued when inventory is depleted. |

FOOTNOTES

| | |
|---|--|
| 1 | Halogen PAR Caution: Before using bulb, see operating instructions on package. Adhering to these operating instructions will greatly reduce the risk of personal injury or fire. The halogen capsule contained inside this glass bulb operates under pressure, at high temperatures and could unexpectedly shatter. Should the outer bulb break, particles of extremely hot glass could be discharged into the fixture and/or surrounding area, creating a risk of personal injury or fire. Operating Instructions: Turn power off and let lamp cool before replacing or inspecting to avoid electrical shock or burn. For indoor and outdoor use. A weather-protected fixture is recommended for wet locations. Suitable for use in open fixtures. Do not exceed the fixture maximum wattage rating. Do not use if outer glass is scratched or broken. Lamp may continue to operate if outer glass breaks, however immediately discontinue use. Do not use in close proximity to combustible materials. |
| 2 | HaloXen® lamps operate under high temperatures. To avoid personal injury, turn power off and allow bulb to cool before attempting to handle. Do not use if the glass is scratched or broken. Do not use near flammable or combustible materials. |
| 3 | Do not touch capsule with bare hands. Oil from the skin may reduce performance unless wiped clean with alcohol and a soft cloth. CAUTION: THIS LAMP OPERATES UNDER PRESSURE AND COULD SHATTER. To avoid injury and to avoid exposure to ultraviolet radiation, this lamp should be used in a fixture with a protective shield or tempered glass. Provide adequate ventilation to avoid overheating and use in only fixtures rated for wattage stated on the package. To avoid risks of burns or other injury, turn power off and allow lamp to cool before replacing. Socket condition may affect lamp life. Inspect and replace socket if deterioration occurs. |
| 4 | Socket condition may affect lamp life. Inspect and replace socket if deterioration occurs. |
| 5 | This lamp should be shielded from moisture to prevent breakage. |
| 6 | Use only with heat-resistant connector and with lamp supported by bulb rim. |
| 7 | Use only in heat-resistant lamp holders and fixtures rated for reflector or PAR lamps. |
| 8 | Use outdoors only in enclosed fixtures or where lamp is protected from exposure to water. Use only in fixtures rated for this product. |
| 9 | Operate in a horizontal position only. |
