

# Halogen A19

## Halogen 29A19/EV 120V 6/4

Halogen bulbs reduce energy consumption without sacrificing the qualities of a traditional bulb. They uniquely produce light more efficiently. They work with dimmer switches and are available in the familiar A-shape design. Use them in existing fixtures just as you would standard incandescents and your home will look great while you save energy.

### Product data

| General Information       |                                    |
|---------------------------|------------------------------------|
| Base                      | E26 [ Single Contact Medium Screw] |
| Operating Position        | Universal [ Universal]             |
| Main Application          | General Lighting (G)               |
| Gas Filling               | GAS                                |
| Light Technical           |                                    |
| Luminous Flux Lamp @ 120V | 380 lm                             |
| Operating and Electrical  |                                    |
| Power (Rated) (Nom)       | 29 W                               |
| Lamp Wattage Rated@120V   | 29 W                               |
| Voltage (Nom)             | 120 V                              |
| Mechanical and Housing    |                                    |
| Bulb Finish               | White                              |
